Instructions: Completing this checklist will assist you with the "big ideas" of CWPBIS. Mark "yes" for each item you implement fully; mark "partially" if you are almost there; mark "no" if you are not implementing this item, and mark "?" if you need further information. Your goal is to be able to mark "yes" for each item across most (if not all!) of your classroom activities. For each item marked "no" or "?," consult with a behavioral expert (e.g., mentor teacher, special support staff, administrator) to request assistance with that item.
