

## Affective Engagement: Activity Handout

**Directions:** Re-write the following praise statements to make them more effective.

Observed Behavior:	Response:	How could you change the response to make it more effective?
Jacob arrives to class with all required materials.	“Good job.”	
Jenny participates appropriately during group discussion.	“Okay good.”	
Jose volunteers to write his answer on the board first.	“Thank you.”	
Jessie is working quietly on her assignment.	“I like what I see!”
