

The Northeast Positive Behavioral Interventions and Supports (NEPBIS) Network is pleased to announce...

NEPBIS TRAINING of TRAINERS

Are you interested in becoming an Endorsed NEPBIS Trainer?

The training of trainers (TOT) provides an in-depth opportunity to build your skills in training Positive Behavioral Interventions and Supports (PBIS) and access to a comprehensive support network.

Through a collaboration with the Connecticut State Department of Education (CSDE) and the Center for Behavioral Education and Research (CBER) at UConn, we developed a comprehensive TOT model designed to develop and enhance new and existing trainers' skills and experiences.

We are pleased to continue to offer this opportunity to trainers across the Northeast. **We are currently seeking applications for the fifth TOT cadre.** This TOT will consist of a combination of training events, supported training activities, and participation in an ongoing network of support.

Cost: The cost of this two-year experience is \$4,750. This includes all nine on-site training days, and individualized review and feedback for all assignments and requirements. Please note that a minimum number of participants must enroll in order for this training to take place.

The TOT will consist of:

Year 1 — 6 days of on-site TOT training (UConn) • 3 days of observing and supporting team-based training events (training site) • Attendance at 1 Northeast PBIS conference

Year 2 — 3 days of on-site TOT training (UConn) • 3 days of leading and facilitating team-based training events (training site) • Attendance at 2 Northeast PBIS conferences

** Across Years 1 and 2, trainers will use NEPBIS training materials and engage in additional on-site activities to complete training competencies.*

Upon successful completion, new trainers will:

- Obtain endorsement as a Northeast PBIS trainer, and participate in ongoing TOT evaluation activities and booster trainings at Northeast PBIS Conferences to maintain endorsement,
- Gain access to a comprehensive support network, including extensive training materials and structured mentoring, and
- Build connections with partners at the district/agency, state, regional, and national levels.

We are currently accepting applications for a limited number of participants. For more information NEPBIS TOT, please visit nepbis.org or contact Susannah Everett at the Center for Behavioral Education and Research (susannah.everett@uconn.edu; 860.486.7972).
