

The Northeast Positive Behavioral Interventions and Supports (NEPBIS) Network is pleased to announce...

# NEPBIS TRAINING of TRAINERS

## Are you interested in becoming an Endorsed NEPBIS Trainer?

The training of trainers (TOT) provides an in-depth opportunity to build your skills in training Positive Behavioral Interventions and Supports (PBIS) and access to a comprehensive support network.

The comprehensive NEPBIS TOT develops and enhances new and existing trainers' skills and experiences.

**We are currently seeking applications for the sixth TOT cadre.** This TOT will consist of a combination of training events, supported training activities, and participation in an ongoing network of support.

**Cost:** The cost of this two-year experience is \$4,750. This includes all 9 on-site training days, and individualized review and feedback for all assignments and requirements. Please note that a minimum number of participants must enroll in order for this training to take place.

### The TOT will consist of:

**Year 1** — 6 days of on-site TOT training (UConn) • 3 days of observing and supporting team-based training events (training site) • Attendance at 1 Northeast PBIS conference

**Year 2** — 3 days of on-site TOT training (UConn) • 3 days of leading and facilitating team-based training events (training site) • Attendance at 2 Northeast PBIS conferences

*\* Across Years 1 and 2, trainers will use NEPBIS training materials and engage in additional on-site activities to complete training competencies.*

### Upon successful completion, new trainers will:

- Obtain endorsement as a Northeast PBIS trainer, and participate in ongoing TOT evaluation activities and booster trainings at Northeast PBIS Conferences to maintain endorsement,
- Gain access to a comprehensive support network, including extensive training materials and structured mentoring, and
- Build connections with partners at the district/agency, state, regional, and national levels.

*We anticipate holding all training events on campus, but we are prepared to shift to virtual in accordance with public health guidelines, if necessary.*

We are currently accepting applications for a limited number of participants. For more information NEPBIS TOT, please visit [nepbis.org](http://nepbis.org) or contact Susannah Everett at the Center for Behavioral Education and Research ([susannah.everett@uconn.edu](mailto:susannah.everett@uconn.edu); 860.486.7972).
